The Organizer reserves the right to cancel a division if the number of entries is under the posted minimum, and to rearrange the schedule if necessary. Cancellation of a division would result in the refund of any applicable competitor entry fees.

Any schedule or location changes will be noted on the US Open Swing Dance Championships' website (www.usopenswingdc.com) if they occur prior to the event. If the changes occur during the event, they will be announced or posted in the foyer and the exact location will be announced at the Competitors' Meeting.

7. **PRELIMINARIES, SEMI-FINALS, FINALS, AND HEATS** — At any time prior to the Competition, the Organizer reserves the right to determine whether or not a division will consist of a Preliminary, Semi-Final and a Final, and whether or not rounds are danced in heats or as spotlight and the number of competitors who will go on to a final round. The standards for behavior from Section D-1 must be followed.
4. **REFUND OF COMPETITION ENTRY FEE** — After the cut-off date, October 1st, 2009, competition fees will not be refunded unless the organizer cancels a division.

E. JUDGING CRITERIA

The Relative Placement System will be used to judge all the competitions at the US OPEN SWING DANCE CHAMPIONSHIPS. In all divisions, the amount of Swing content will be evaluated.

All Competitors will be judged using the following criteria:

1. **TIMING** — Swing is danced beginning on the downbeat. Timing extends to much finer distinctions than a single beat. It includes fractionally ahead or behind the beat, as well as matching the syncopated "swing" of the music.
2. **TEAMWORK** — Swing is a connected, partner dance. The demonstration of this connection and the appearance of lead/follow or action/reaction between the partners is an expected part of any competition. One partner ignoring or out-dancing the other, or jeopardizing the safety of the other (or other Competitors), indicates poor teamwork.

3. **TECHNIQUE** — How well the Competitors execute the movements comprising their dance constitutes technique. This includes control of balance and weight, foot placement, bodylines, and spins.
4. **CHOREOGRAPHY** — The selection and order of movements and transitions executed during a dance comprises choreography. Good choreography demonstrates an intimate connection with the music and its phrasing, as well as variety and contrast. Choreography must be tasteful and respectful to the audience.
5. **PRESENTATION** — To create an atmosphere of excitement by inviting and generating interest in a performance is the desired effect of good presentation. While providing a good show is one aspect of presentation, a good show is not a substitute for good dancing.

Judges decisions are final.

M. CANCELLATIONS

Entry fees will be refunded to any competitor who withdraws from a competition before the October 1, 2009 deadline. Because of the event's program production schedule, no refunds will be made for any cancellations after that date. Any partnership changes will require a new application process and will be considered a new competition entry. Entry fees will be refunded if a division is cancelled due to not enough entries.
